THE STATE OF TEXAS PUBLIC EDUCATION MISSION AND ACADEMIC GOALS

The mission of the public education system of this state is to ensure that all Texas children have access to a quality education that enables them to achieve their potential and fully participate now and in the future in the social, economic, and educational opportunities of our state and nation. That mission is grounded on the conviction that a general diffusion of knowledge is essential for the welfare of this state and for the preservation of the liberties and rights of citizens. It is further grounded on the conviction that a successful public education system is directly related to a strong, dedicated, and supportive family and that parental involvement in the school is essential for the maximum educational achievement of a child.

THE STATE OF TEXAS PUBLIC EDUCATION GOALS

- GOAL 1:** The students in the public education system will demonstrate exemplary performance in the reading and writing of the English language.
- GOAL 2:** The students in the public education system will demonstrate exemplary performance in the understanding of mathematics.
- GOAL 3:** The students in the public education system will demonstrate exemplary performance in the understanding of science.
- GOAL 4:** The students in the public education system will demonstrate exemplary performance in the understanding of social studies.

THE STATE OF TEXAS PUBLIC EDUCATION OBJECTIVES

- OBJECTIVE 1:** Parents will be full partners with educators in the education of their children.
- OBJECTIVE 2:** Students will be encouraged and challenged to meet their full educational potential.
- OBJECTIVE 3:** Through enhanced dropout prevention efforts, all students will remain in school until they obtain a high school diploma.
- OBJECTIVE 4:** A well-balanced and appropriate curriculum will be provided to all students.
- OBJECTIVE 5:** Educators will prepare students to be thoughtful, active citizens who have an appreciation for the basic values of our state and national heritage and who can understand and productively function in a free enterprise society.
- OBJECTIVE 6:** Qualified and highly effective personnel will be recruited, developed, and retained.
- OBJECTIVE 7:** The state's students will demonstrate exemplary performance in comparison to national and international standards.
- OBJECTIVE 8:** School campuses will maintain a safe and disciplined environment conducive to student learning.
- OBJECTIVE 9:** Educators will keep abreast of the development of creative and innovative techniques in instruction and administration using those techniques as appropriate to improve student learning.
- OBJECTIVE 10:** Technology will be implemented and used to increase the effectiveness of student learning, instructional management, staff development, and administration.

SCHOOLWIDE CAMPUS ESSA REQUIREMENTS – PARENT & FAMILY ENGAGEMENT

Though these Schoolwide campus Parent & Family Engagement requirements are not necessarily requirements of the CIP, TEA is expecting to see evidence of the following activities in your plans:

- **School Parent & Family Engagement Policy** [ESSA Sec. 1116(b)]:
 - Annual Title I meeting
 - Flexible number of meetings
 - Meaningfully involve parents in planning, review, improvement of programs, including Parent Policy
 - Provide Parents:
 - Timely notification about Title I programs
 - Description and explanation of curriculum and assessments used
 - Upon request, opportunities for regular meetings to participate in decisions related to child
 - Submit dissenting parent comments to LEA if SW plan is not satisfactory to Title I parents
- **School-Parent Compact** [ESSA Sec. 1116(d)]
 - Describe school's responsibilities to provide effective learning environment
 - Describe ways in which parents will be responsible for supporting student learning
 - Address importance of communication
 - Parent-teacher conferences in elementary (annually, at a minimum)
 - Frequent reports to parents regarding student's progress
 - Reasonable access to staff, volunteer opportunities and observation of classroom activities
 - Ensure two-way, meaningful communication in language family understands (as practicable)
- **Build Capacity for Involvement** [ESSA Sec. 1116(e)]
 - Provide assistance in understanding academic standards and assessment and how to monitor child's progress
 - Provide materials and training to help parents work with children to improve achievement
 - Educate teachers and relevant staff in value and utility of communicating with parents as equal partners
 - Coordinate/integrate parent involvement programs, as feasible
 - Ensure info related to school/parent programs, meetings, activities are provided in language/format understood
 - Provide other reasonable support for parental involvement activities

- **Accessibility** [ESSA Sec. 1116(f)]
 - Provide opportunities for informed participation of parents/family, including info and required school reports, in language/format parents understand

CAMPUS NEEDS ASSESSMENT

2018-2019

Demographics:

Date Examined: Campus Demographics

Strength: The student enrollment is 243. The ethnic breakdown is as follows: 57% White, 30% Hispanic, 12% African American, .8% American Indian and .4% Asian. The student demographics reflect the demographics of the community. Average Daily Attendance remains at or above 97%.

Weakness: 81% of students are economically disadvantaged.

Student Achievement:

Data Examined: TPRI, Circle Assessment, CBA's, unit tests, Fountas and Pinnell levels, TEKSCORE Year at a Glance

Strength: Based on reading assessments and CBA's 80% of students are reading at or above grade level. Based on end of the year CBA's, 88% of students are performing at or above grade level in math. All students take the TPRI reading assessment and the Imagine Math assessment three times per year. All students take Common Based Assessments (CBA) and are administered formative and summative assessments. All students are administered the Fountas and Pinnell Benchmark reading assessments one on one to identify accurate reading levels. English Language Learners also take the TELPAS. Students with Individualized Educational Plans (IEP) work towards set goals.

Weakness: More students in each student population need to read at or above grade level and perform on or above grade level in math. There is still a high % of students deemed at-risk.

School Culture and Climate:

Data Examine: Campus philosophy, Discipline Data, Parent Surveys

Strength: School wide discipline management is in place. The number of discipline referrals continue to decrease. Positive reinforcements are in place. Each student and teacher create and sign a Social Contract for their classroom. Students recite the

Raider Pledge and motto daily. Students and staff participate in character days, pep rallies, Red Ribbon Week, Homecoming activities, Character Education - Beginning of a Hero, Box Tops for Education, field trips, Fabulous Fridays, Holiday activities, i.e. Veteran's Day, Thanksgiving, Christmas, etc. Elementary students support secondary school students' school spirit days and events. Parent conferences, interviews, and surveys are completed.

Weakness: The same students tend to be repeat offenders who receive disciplinary referrals.

Staff Quality, Recruitment, and Retention:

Data Examined: Principal Meetings Data

Strength: Teachers are state certified. Paraprofessionals are qualified for their positions. 63% of the staff are certified teachers. Each certified teacher completes goal setting for the Texas Teacher Evaluation Support System (T-TESS) and is appraised using the T-TESS instrument. Current certified staff will be retained while needed certified staff will be recruited.

Weakness: There is a need for additional bilingual staff members.

Curriculum, Instruction, and Assessment:

Data Examined: Curriculum Documents, RTI documentation, Tutorial Documentation, Intervention Meeting Data, DMAC Data, TEKScore Year At a Glance

Strength: The Texas Essential Knowledge and Skills (TEKS) is the curriculum that drives instruction. The components of Balanced Literacy and the Daily 5, Saxon Phonics, and Texas Go Math and Daily 3 for Math guide the instruction in ELAR and Math. Hands-on Science and Social Studies lessons are incorporated. Small group tutoring and interventions are provided for students in need of assistance. Students in need of intervention can participate in Raider Camp reading and math groups. Activities and enrichment for gifted students are given. CBAs, formative assessments, summative assessments, formative assessments, TPRI, and Imagine Math, and Fountas and Pinnell are assessments administered to students. The use of Journeys, Saxon Phonics, Fusion Science, Texas Go Math, Studies Weekly, and teacher created materials for specific lessons. Students with Individualized Educational Plans (IEP's) and/or 504 plans are instructed according to these plans with appropriate modifications and accommodations.

Weakness: There is a need for a more effective and useful Math program.

Family and Community Involvement:**Data Examined: Parent Surveys, Parent and Community Involvement in Campus Events, Parent and Visitor sign-in logs**

Strength: Parents and guardians are strongly encouraged to attend fact to face conferences with teachers. Translation of written communication between school and home is provided for non-English speaking homes. Families and the community are actively involved in, but are not limited to the following: Parent Teacher Organization (PTO), Book Fair, classroom parties, festivals, lunch, music programs, awards ceremonies, pep rallies, field day, field trips, fundraisers, Student Council drives, parent volunteers, secondary school student volunteers, etc.

Weakness: There is a need for more parent and/or community members as tutors and/or mentors.

Technology:**Data Examined: Meetings with Campus Technology Directors, Number of Technology Work Orders**

Strength: Each homeroom is equipped with desktop and laptop computers for student use. Some classrooms have Ipads and chromebooks for teacher and student use. Students and teachers use technology daily for instruction and to increase academic performance. Students attend computer lab classes at least once per week to complete software based and web based lessons. Some teachers use the DOJO and Remind apps to keep parents informed of student behavior and classroom activities.

Weakness: There are frequent problems with internet connections and computer hardware and/or software. If internet connections problems are minimal, there may be a need for additional wireless devices.

School Context and Organization:**Data Examined: School Structure (PK-2), Schedules, Support Programs, Physical Environment**

Strength: The facilities are not new, but they are very well kept, and they are attractive. The campus is led formally and informally by the campus principal. Teachers roles vary from leader to support based on the need of the teacher and/or the students at the time. Grade levels meet regularly to plan and discuss upcoming lessons. Teachers share ideas and instructional strategies. Each grade level is comprised of a Professional Learning Community (PLC). Special teachers work directly with teachers to ensure each student is successful and his/her goals are met according to IEP and/or 504 plans and/or LPAC recommendations. The master schedule incorporates all aspects of the campus i.e. physical education, music, library, recess, lunch, computer lab, motor lab, etc.

Counseling, student council, and UIL activities are included as scheduled. Each teacher and paraprofessional assumes duties as assigned.

Weakness: There is a need for newer facilities.

State Compensatory Education

This district has written policies and procedures to identify the following for our campus:

- Students who are at-risk of dropping out of school under state criteria
- Students who are at-risk of dropping out of school under local criteria
- How students are entered into the SCE program
- How students are exited from the SCE program
- The cost of the regular education program in relation to budget allocations per student and/or instructional staff per student ratio.

Total FTEs funded through SCE at this District/Campus: 4

The process we use to identify students at-risk is: PEIMS data standards E0919

1. is in prekindergarten, kindergarten or grade 1, 2, or 3 and did not perform satisfactorily on a readiness test or assessment instrument administered during the current school year;
2. is in grade 7, 8, 9, 10, 11, or 12 and did not maintain an average equivalent to 70 on a scale of 100 in two or more subjects in the foundation curriculum during a semester in the preceding or current school year or is not maintaining such an average in two or more subjects in the foundation curriculum in the current semester;
3. was not advanced from one grade level to the next for one or more school years; (Note: From 2010-2011 forward, TEC 29.081 (d-1) excludes from this criteria prekindergarten or kindergarten students who were not advanced to the next grade level as a result of a documented request by the student's parent.)
4. did not perform satisfactorily on an assessment instrument administered to the student under TEC Subchapter B, Chapter 39, and who has not in the previous or current school year subsequently performed on that instrument or another appropriate instrument at a level equal to at least 110 percent of the level of satisfactory performance on that instrument;
5. is pregnant or is a parent;

6. has been placed in an alternative education program in accordance with TEC §37.006 during the preceding or current school year;
7. has been expelled in accordance with TEC §37.007 during the preceding or current school year;
8. is currently on parole, probation, deferred prosecution, or other conditional release;
9. was previously reported through the Public Education Information Management System (PEIMS) to have dropped out of school;
10. is a student of limited English proficiency, as defined by TEC §29.052;
11. is in the custody or care of the Department of Protective and Regulatory Services or has, during the current school year, been referred to the department by a school official, officer of the juvenile court, or law enforcement official;
12. is homeless, as defined NCLB, Title X, Part C, Section 725(2), the term “homeless children and youths”, and its subsequent amendments; or
13. resided in the preceding school year or resides in the current school year in a residential placement facility in the district, including a detention facility, substance abuse treatment facility, emergency shelter, psychiatric hospital, halfway house, or foster group home.

The process we use to exit students from the SCE program who no longer qualify is:

TEA education and policy procedures,

- 110% level of satisfactory performance on state assessments
- Promotion records
- Maintenance of passing grades with a score of 70 or better
- Residential placement status
- Alternative education program placement timeframe
- LEP status
