The school nurse or person designated by the principal may administer medication to a student, provided:

1. The District has received a written request to administer medication from the parent, legal guardian, or other person having legal control of the student.
2. When administering prescription medication, the medication appears to be in the original container and properly labeled with the current date, child's name, the correct amount to be given, and the doctor's name.
3. When administering non-prescription medication, the medication appears to be in the original container and to be properly labeled. Non-prescription medication will require a doctors order if given for longer than 10 consecutive days.

Request for medication to be given at school.
